Please tell us a bit about the activity you would like to do and any particular dates you are interested in.

A note on accessibility - The Victorian architects made no provision for lift access to the first floor hall. So, during this pilot stage of the project, we are sorry to say that there is no 'step free' access to Station Hall. If the Mayor's Good Growth Fund approves the pilot and funds regeneration, rest assured that full accessibility will be our priority, in addition to being a legal requirement.
